Process Technologist – Revit/CAD
(full-time permanent position)
Location: Guelph, Ontario

GM BluePlan Engineering is a dynamic consulting firm providing experience and expertise in the areas of Infrastructure Master Plans, Asset Management, Environmental Assessments, Hydraulic and Hydrologic Modelling, with proven Municipal, Environmental, Structural, Land Development and Construction Services that allow GM BluePlan to support our clients throughout the project life cycle. We have a strong legacy of providing sound technical advice and innovative solutions for our private and public sector clients.

Come join our amazing team of talented, energetic and creative people that together contribute to the continued growth and success of the Company!

RESPONSIBILITIES:

- Prepare preliminary and detailed design drawings of process piping and equipment for municipal infrastructure buildings (Water & Waste Water Treatment plants, Pumping Stations, Elevated Tanks and Reservoirs);
- Participate in project team meetings and coordinate with team members from multiple offices to ensure efficient and timely delivery of project deliverables;
- We are looking for an individual who is interested in focusing on drawing in AutoCAD and Revit.
- Other duties as assigned.

QUALIFICATIONS:

- Knowledge of Revit and AutoCAD is required;
- Previous design experience with Water and Waste Water piping is considered an asset;
- Previous experience working in a multi-disciplinary design environment is an asset;
- Previous Civil 3D and MicroStation experience is an asset;
- Possess strong organizational, oral, written communication, and problem solving skills; have an approachable enthusiastic interpersonal style;
- Education in a technical field or equivalent experience considered an asset;
- Eligible for or obtained OACETT designation an asset;
- Possess a valid driver's licence.

WE ARE COMMITTED TO PROVIDING:

- A dynamic work environment which encourages teamwork, initiative and creativity;
- Career development and education opportunities;
- A competitive compensation package commensurate with experience, including a benefit package and RRSP program;
- Extra-curricular social activities (hockey, golf and many more social events).

JOIN OUR TEAM!

Candidates who are interested in joining our dynamic team are invited to forward their resume via email to careers@gmblueplan.ca, indicating the **Process Technologist** position in the subject line of their email.

We thank all applicants; however only those selected for an interview will be contacted.

GM BluePlan Engineering will accommodate candidates under the AODA legislation in all aspects of the hiring process. Please notify us if accommodation is required.
