**Junior/Intermediate Engineer
(full-time permanent position)
Location: Vaughan, Ontario**

GM BluePlan Engineering is a dynamic consulting firm providing experience and expertise in the areas of Infrastructure Master Plans, Asset Management, Environmental Assessments, Hydraulic and Hydrologic Modelling, with proven Municipal, Environmental, Structural, Land Development and Construction Services that allow GM BluePlan to support our clients throughout the project life cycle. We have a strong legacy of providing sound technical advice and innovative solutions for our private and public sector clients.

Come join our amazing team of talented, energetic and creative people that together contribute to the continued growth and success of the Company!

Under the supervision of the Infrastructure Planning Team Leader, the successful candidate will be responsible for day to technical support and various delivery roles on projects primarily within the Infrastructure Planning Services but also supporting Asset Management and Hydraulic Modelling Teams.

Candidates must be self-starters with the ability to work independently and in a fast-paced team environment. The successful candidate must possess strong organizational, oral, written communication, and problem solving skills, have an approachable interpersonal style, be prepared for increasing responsibilities, and have or be eligible for their Professional Engineer (P.Eng.) designation and licence in Ontario. Prior experience in an engineering consulting firm would also be looked upon favourably.

The ideal candidate must be a team player and have demonstrated technical competencies and skills in water and wastewater civil and environmental engineering with strong motivation to broaden their experience in the areas of infrastructure planning, servicing analysis, master planning and Class Environmental Assessments, project management within a multi-disciplinary consulting environment. Our company size allows flexibility, diverse project experiences, and growth opportunities for self-motivated employees.

JOIN OUR TEAM!

Candidates who are interested in joining our dynamic team are invited to forward their resume via email to careers@gmblueplan.ca, indicating the **position** in the subject line of their email.

We thank all applicants; however only those selected for an interview will be contacted.

GM BluePlan Engineering will accommodate candidates under the AODA legislation in all aspects of the hiring process. Please notify us if accommodation is required.
